Urban culture and POSCA have a common background. Join us and draw your name like a graffiti artist. Download letters, write your name, and customise it!

WHAT YOU NEED:

- > 1 sheet of drawing paper (colour of your choice)
- > Templates of alphabet letters in graffiti style (see next pages)
- > 1 sheet of tracing paper
- > 1 soft pencil (for tracing)
- > 1 pencil
- > 1 rubber
- > 1 ruler

01

With a pencil draw two parallel lines to determine the size of the letters.

02

Between these two lines, trace the graffiti letters in the same order as your name making letters slightly overlap each other.

03

Transfer the traced name to drawing paper (rub out the overlaps on the tracing paper).
