Start saving money with these piggy banks made from recycled materials! Your child will enjoy making this piggy bank using empty bottles you have got at home. It is fun, useful, and... eco-friendly!

### KIDS ACTIVITIES

### WHAT YOU NEED

- > 1 small plastic bottle of milk and 1 small plastic bottle of single cream
- > 1 card sheet
- > Wire
- > Tissue paper (you can find it for example in shoes boxes or as wrapping paper for clothes or gifts)
- > Corks
- > 1 cutter
- > 1 wire cutter to cut and shape the wire
- > 1 pencil
- > 1 glass of water
- > 1 brush
- > White glue - strong and water-soluble

SPRAY VARNISH

01

Cut up corks and carve them with a cutter to make the legs and eyes.

02

Cut a piece of wire, bend it in half, and shape with a wire cutter to create a corkscrew tail.

03

Draw and cut the ears from card, as shown on the example.

### Artist tips:

Using the same method and materials, you can make piggy banks with shapes of other animals such as a cat, a dog, a donkey, etc. You just have to change the shape and size of ears, legs and transform the snout by adding for example whiskers (for a cat) or drawing teeth (for a donkey).

04

Glue the legs, eyes, tail and ears onto the bottles.

05

Stick tissue paper on the piggy banks using white glue mixed with a bit of water, and allow to dry.

06

Once the piggy banks are completely dry, slice a small slot with a cutter on each piggy bank's back to insert coins or bank notes.

07

Customise and decorate the piggy banks with POSCAs.
