Artist tips:

To make your card more lively, draw and decorate a setting around your butterfly (nature, flowers, etc.), finally write the message you wish to send to the recipient of the card.

04

Assemble the two sides of the butterfly as shown on the picture.

05

Fold the sheet of coloured drawing paper in half and decorate the cover of your greeting card using POSCAs.

06

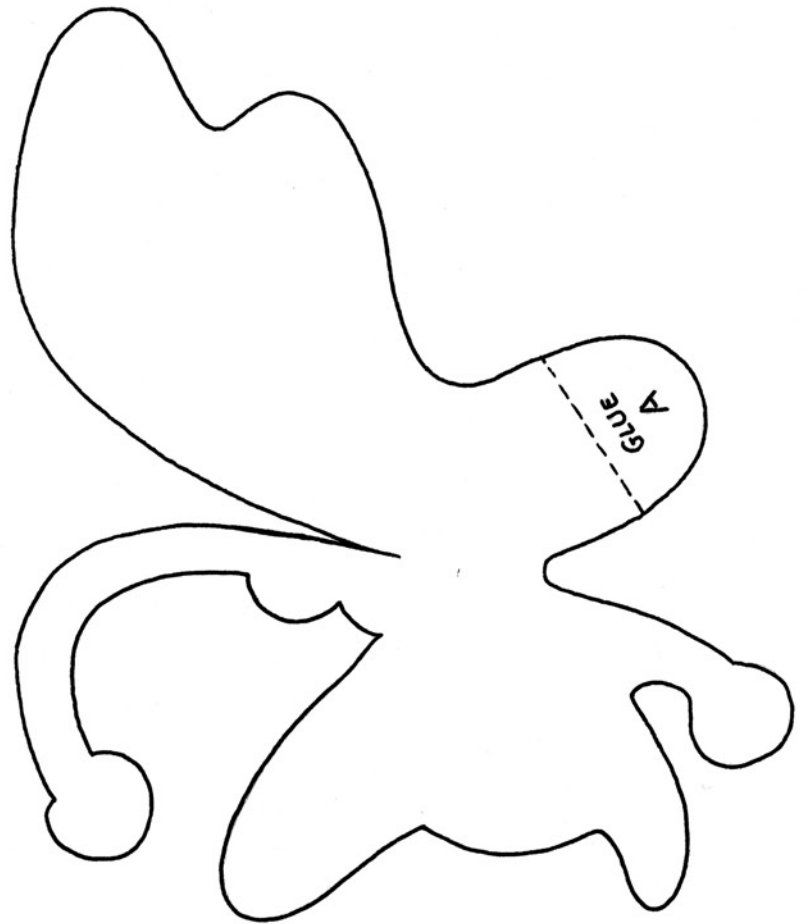

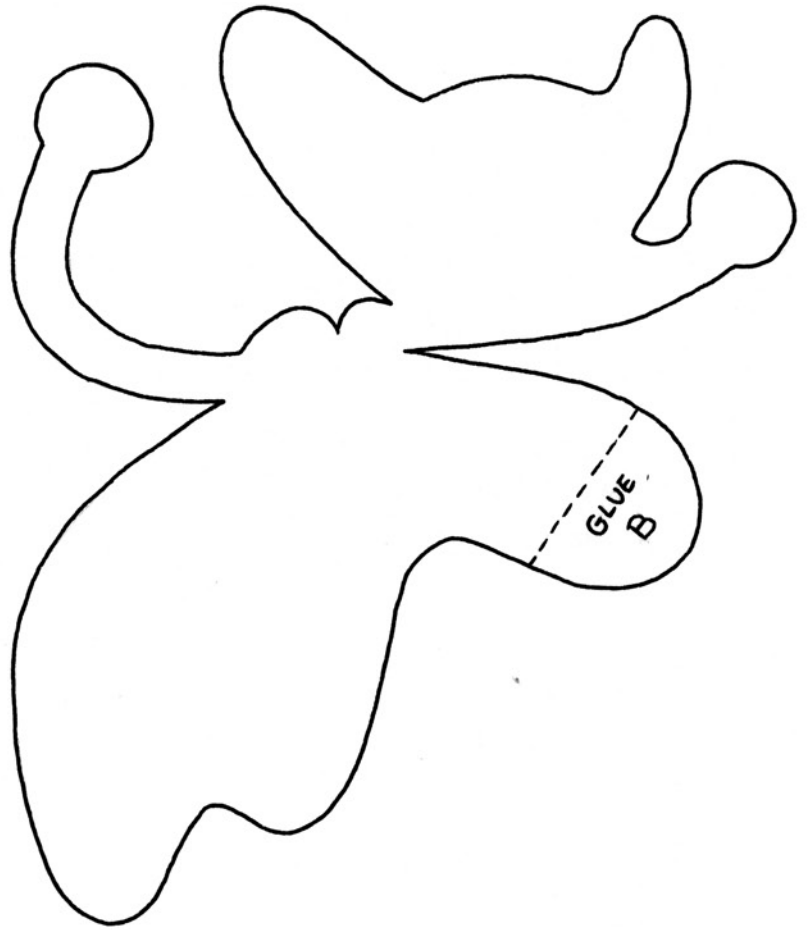

Glue the butterfly inside the greeting card, paying attention to the distance and positioning (as indicated on template 2), and fold the two small ends A and B at the bottom of the butterfly wings.
